QUESTION OF ST. HELENA

Decision adopted by the Special Committee at its 1432nd meeting, on 11 July 1994

1. The Special Committee, having examined the question of St. Helena, reaffirms the inalienable right of the people of St. Helena to self-determination and independence in conformity with the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV) of 14 December 1960. The Committee urges the administering Power to continue to take, in consultation with the Legislative Council and other representatives of the people of St. Helena, all necessary steps to ensure the speedy implementation of the Declaration in respect of the Territory and, in that connection, reaffirms the importance of promoting an awareness among the people of St. Helena of the possibilities open to them in the exercise of their right to self-determination.

2. The Special Committee reaffirms the responsibility of the administering Power to promote the economic and social development of the Territory and calls upon the administering Power to continue, in cooperation with the territorial Government, to strengthen the economy, to encourage local initiative and enterprise and to increase its assistance to diversification programmes with the aim of improving the general welfare of the community, including the employment situation in the Territory.

3. The Special Committee urges the administering Power, in cooperation with the territorial Government, to continue to take effective measures to safeguard and guarantee the inalienable right of the people of St. Helena to own and dispose of the natural resources of the Territory, including marine resources, and to establish and maintain control over the future development of those resources.

4. The Special Committee reaffirms that continued development assistance from the administering Power, together with any assistance that the international community might be able to provide, constitutes an important means of developing the economic potential of the Territory and of enhancing the capacity of its people to realize fully the goals set forth in the relevant provisions of the Charter of the United Nations. The Committee, in that connection, welcomes the assistance rendered by the United Nations Development Programme and invites other organizations of the United Nations system to assist in the development of the Territory.

5. The continued presence of military facilities in the Territory prompts the Special Committee, on the basis of previous United Nations resolutions and decisions concerning military bases and installations in colonial and Non-Self-Governing Territories, to urge the administering Power to take measures to avoid the involvement of the Territory in any action that could endanger peace and security in neighbouring States.

6. The Special Committee considers that the possibility of dispatching a United Nations visiting mission to St. Helena at an appropriate time should be kept under review, and decides to continue to examine the question of St. Helena at its next session and to report thereon to the General Assembly at its fiftieth session.

Having considered the question of the Falkland Islands (Malvinas),

Aware that the maintenance of colonial situations is incompatible with the United Nations ideal of universal peace,

Recalling General Assembly resolutions 1514 (XV) of 14 December 1960, 2065 (XX) of 16 December 1965, 3160 (XXVIII) of 14 December 1973, 31/49 of 1 December 1976, 37/9 of 4 November 1982, 38/12 of 16 November 1983, 39/6 of 1 November 1984, 40/21 of 27 November 1985, 41/40 of 25 November 1986, 42/19 of 17 November 1987 and 43/25 of 17 November 1988 and its resolutions A/AC.109/756 of 1 September 1983, A/AC.109/793 of 21 August 1984, A/AC.109/842 of 9 August 1985, A/AC.109/885 of 14 August 1986, A/AC.109/930 of 14 August 1987, A/AC.109/972 of 11 August 1988, A/AC.109/1008 of 15 August 1989, A/AC.109/1050 of 14 August 1990, A/AC.109/1087 of 14 August 1991, A/AC.109/1132 of 29 July 1992 and A/AC.109/1169 of 14 July 1993 and Security Council resolutions 502 (1982) of 3 April 1982 and 505 (1982) of 26 May 1982,

Distressed that, notwithstanding the time that has elapsed since the adoption of General Assembly resolution 2065 (XX), this prolonged dispute has not yet been settled,

Aware of the interest of the international community in the resumption by the Governments of Argentina and the United Kingdom of Great Britain and Northern Ireland of their negotiations in order to find as soon as possible a peaceful, just and lasting solution to the sovereignty dispute relating to the question of the Falkland Islands (Malvinas),

Expressing its preoccupation over the fact that the good level of relations between Argentina and the United Kingdom has not yet led to negotiations on the question of the Falkland Islands (Malvinas),

Considering that this situation should facilitate the resumption of the negotiations in order to find a peaceful solution to the dispute over sovereignty,

Reaffirming the principles of the Charter of the United Nations on the non-use of force or the threat of force in international relations and the peaceful settlement of international disputes,

Calling attention to the importance of the Secretary-General continuing his efforts to give full effect to the mission entrusted to him by the General Assembly in its resolutions on the question of the Falkland Islands (Malvinas),

Reaffirming the need for the parties to take due account of the interests of the population of the islands in accordance with the provisions of the General Assembly resolutions on the question of the Falkland Islands (Malvinas),

1. Reiterates that the way to put an end to the special and particular colonial situation in the question of the Falkland Islands (Malvinas) is the peaceful and negotiated settlement of the dispute over sovereignty between the Governments of Argentina and the United Kingdom of Great Britain and Northern Ireland;

2. Takes note of the views expressed by the Minister for Foreign Affairs of Argentina on the occasion of the forty-eighth session of the General Assembly;

3. Regrets that, in spite of the widespread international support for a negotiation between the Governments of Argentina and the United Kingdom that includes all aspects on the future of the Falkland Islands (Malvinas), the implementation of the General Assembly resolutions on this question has not yet started;

4. Requests the Governments of Argentina and the United Kingdom to consolidate the current process of dialogue and cooperation through the resumption of negotiations in order to find as soon as possible a peaceful solution to the sovereignty dispute relating to the question of the Falkland Islands (Malvinas), in accordance with the provisions of General Assembly resolutions 2065 (XX), 3160 (XXVIII), 31/49, 37/9, 38/12, 39/6, 40/21, 41/40, 42/19 and 43/25;

5. Reiterates its firm support for the mission of good offices of the Secretary-General in order to assist the parties in complying with the request made by the General Assembly in its resolutions on the question of the Falkland Islands (Malvinas);

6. Decides to keep under review the question of the Falkland Islands (Malvinas) subject to the directives that the General Assembly has issued and may issue in that regard.

QUESTION OF SENDING VISITING MISSIONS TO TERRITORIES

Resolution adopted by the Special Committee at its
1434th meeting on 12 July 1994

The Special Committee,

Having considered the question of sending visiting missions to Territories,

Having examined the report of the Chairman on the question, 1/

Recalling the relevant resolutions and decisions of the General Assembly and the Special Committee requesting the administering Powers to cooperate fully with the United Nations by receiving visiting missions in the Territories under their administration,

Mindful that United Nations visiting missions provide an effective means of assessing the situation in those Territories and of ascertaining the wishes and aspirations of the peoples thereof regarding their future status,

Conscious that United Nations visiting missions enhance the capacity of the United Nations to assist the peoples of Non-Self-Governing Territories in attaining the objectives set forth in the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV) of 14 December 1960, and in other relevant resolutions of the Assembly,

---

1/ A/AC.109/L.1812.

Taking note with appreciation that, at the invitation of the Government of New Zealand, 2/ a visiting mission will be dispatched to Tokelau in July 1994,

Noting with regret that some administering Powers do not participate in the work of the Special Committee,

1. Stresses the need to dispatch periodic visiting missions to Non-Self-Governing Territories in order to facilitate the full, speedy and effective implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples with respect to those Territories;

2. Calls upon the administering Powers to cooperate or continue to cooperate with the United Nations by receiving United Nations visiting missions in the Territories under their administration;

3. Continues to call upon those administering Powers that are not participating in the work of the Special Committee to reconsider their decisions and take an active part in the work of the Committee;

4. Requests its Chairman to continue consultations with the administering Powers concerned on the implementation of paragraph 2 of the present resolution and to report thereon to the Special Committee as appropriate.

Having examined the report of the Secretary-General on this item, 1/

Recalling General Assembly resolution 1970 (XVIII) of 16 December 1963, in which the Assembly requested the Special Committee to study the information transmitted to the Secretary-General in accordance with Article 73 e of the Charter of the United Nations and to take such information fully into account in examining the situation with regard to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in Assembly resolution 1514 (XV) of 14 December 1960,

Recalling also General Assembly resolution 48/45 of 10 December 1993, in which the Assembly requested the Special Committee to continue to discharge the functions entrusted to it under resolution 1970 (XVIII),

3. Requests the Secretary-General to continue to ensure that adequate information is drawn from all available published sources in connection with the preparation of the working papers relating to the Territories concerned;

4. Decides, subject to any decision which the General Assembly might take in that connection, to continue to discharge the functions entrusted to it under Assembly resolution 1970 (XVIII), in accordance with established procedures.

Resolution adopted by the Special Committee at its
1439th meeting, on 15 July 1994

The Special Committee,

Having considered the question of New Caledonia,

Reaffirming the right of peoples to self-determination as enshrined in the Charter of the United Nations,

Recalling General Assembly resolutions 1514 (XV) of 14 December 1960 and 1541 (XV) of 15 December 1960,

Noting the importance of the positive measures being pursued in New Caledonia by the French authorities, in cooperation with all sectors of the population, to promote political, economic and social development in the Territory, including measures in the area of environmental protection and action with respect to drug abuse and trafficking, in order to provide a framework for its peaceful progress to self-determination,

Noting also, in this context, the importance of equitable economic and social development, as well as continued dialogue among the parties involved in New Caledonia in the preparation of the act of self-determination of New Caledonia,

Welcoming the strengthening of the Matignon Accords review process through the increased frequency of coordination meetings,

Noting with satisfaction the intensification of contacts between New Caledonia and neighbouring countries of the South Pacific region,

1. Urges all the parties involved, in the interest of all the people of New Caledonia and building on the positive outcome of the mid-term review of the Matignon Accords, to maintain their dialogue in a spirit of harmony;

2. Invites all the parties involved to continue promoting a framework for the peaceful progress of the Territory towards an act of self-determination in which all options are open and which would safeguard the rights of all New Caledonians according to the letter and the spirit of the Matignon Accords, which are based on the principle that it is for the populations of New Caledonia to choose how to control their destiny;

3. Welcomes measures which have been taken to strengthen and diversify the New Caledonian economy in all fields, including the commissioning of the new Société métallurgique le Nickel nickel mine at Kopeto and the establishment of new aquaculture projects, and encourages further such measures in accordance with the spirit of the Matignon Accords;

4. Also welcomes the importance attached by the parties to the Matignon Accords to greater progress in housing, employment, training, education and health care in New Caledonia;

5. Acknowledges the contribution of the Melanesian Cultural Centre to the protection of the indigenous culture of New Caledonia;

6. Takes note of the positive initiatives aimed at protecting New Caledonia's natural environment, notably the "Zoneco" operation designed to map and evaluate marine resources within the economic zone of New Caledonia;

7. Acknowledges the close links between New Caledonia and the peoples of the South Pacific and the positive actions being taken by the French and provincial authorities to facilitate the further development of those links, including the development of closer relations with the member countries of the South Pacific Forum;

8. Welcomes, in particular, in this regard, continuing high-level visits to New Caledonia by delegations from countries of the Pacific region and high-level visits by delegations from New Caledonia to member countries of the South Pacific Forum;

Resolution adopted by the Special Committee
at its 1439th meeting on 15 July 1994

The Special Committee,

Having considered the item entitled "Activities of foreign economic and other interests which impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Territories under colonial domination",

Recalling General Assembly resolution 1514 (XV) of 14 December 1960, containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, as well as all its other resolutions on this subject, including, in particular, resolution 46/181 of 19 December 1991, endorsing the Plan of Action for the International Decade for the Eradication of Colonialism, 1/

Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

Reaffirming also that any economic or other activity that constitutes an obstacle to the implementation of the Declaration on the Granting of

Independence to Colonial Countries and Peoples and obstructs efforts aimed at the elimination of colonialism is a direct violation of the rights of the inhabitants and of the principles of the Charter and all relevant resolutions of the United Nations,

Reaffirming that the natural resources are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories,

Concerned about the activities of those foreign economic, financial and other interests that exploit the natural and human resources of the Non-Self-Governing Territories to the detriment of the interests of the inhabitants of those Territories and deprive them of their rights to control the wealth of their countries,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

1. Reaffirms the inalienable right of the peoples of colonial and Non-Self-Governing Territories to self-determination and independence and to the enjoyment of the natural resources of their Territories, as well as their right to dispose of those resources in their best interests;

2. Reiterates that any administering Power that deprives the colonial peoples of Non-Self-Governing Territories of the exercise of their legitimate rights over their natural resources, or subordinates the rights and interests of those peoples to foreign economic and financial interests, violates the solemn obligations it has assumed under the Charter of the United Nations;

3. Reaffirms its concern over the activities of those foreign economic, financial and other interests which continue to exploit the natural resources that are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, thus depriving them of their right to control the resources of their Territories and impeding the realization by those peoples of their legitimate aspirations for self-determination and independence;

4. Condemns those activities of foreign economic and other interests in the colonial and Non-Self-Governing Territories which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV), and the efforts to eliminate colonialism;

5. Calls once again upon all Governments that have not yet done so to take, in accordance with the relevant provisions of General Assembly resolution 2621 (XXV) of 12 October 1970, legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction that own and operate enterprises in colonial and Non-Self-Governing Territories that are detrimental to the interests of the inhabitants of those Territories,

in order to put an end to such enterprises and to prevent new investments that run counter to the interests of the inhabitants of those Territories;

6. Reiterates that the exploitation and plundering of the marine and other natural resources of colonial and Non-Self-Governing Territories by foreign economic interests, in violation of the relevant resolutions of the United Nations, is a threat to the integrity and prosperity of those Territories;

7. Invites all Governments and organizations of the United Nations system to take all possible measures to ensure that the permanent sovereignty of the peoples of colonial and Non-Self-Governing Territories over their natural resources is fully respected and safeguarded;

8. Urges the administering Powers concerned to take effective measures to safeguard and guarantee the inalienable right of the peoples of the colonial and Non-Self-Governing Territories to their natural resources and to establish and maintain control over the future development of those resources, and requests the administering Powers to take all necessary steps to protect the property rights of the peoples of those Territories;

9. Calls upon the administering Powers concerned to ensure that no discriminatory and unjust wage systems or working conditions prevail in the Territories under their administration and to apply in each Territory a uniform system of wages to all the inhabitants without any discrimination;

10. Requests the Secretary-General to continue, through all means at his disposal, to inform world public opinion of those activities of foreign economic and other interests which impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples;

11. Appeals to the mass media, trade unions and non-governmental organizations, as well as individuals, to continue their efforts for the full implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples;

12. Decides to continue to monitor closely the situation in the colonial and Non-Self-Governing Territories so as to ensure that all economic activities in those Territories are aimed at strengthening and diversifying their economies in the interest of the indigenous peoples and at promoting the economic and financial viability of those Territories, in order to facilitate and accelerate the exercise by the peoples of those Territories of their right to self-determination and independence;

13. Decides to keep the item under continuous review.

MILITARY ACTIVITIES AND ARRANGEMENTS BY COLONIAL POWERS IN TERRITORIES UNDER THEIR ADMINISTRATION

Decision adopted by the Special Committee at its 1439th meeting, on 15 July 1994

1. The Special Committee, having considered the item entitled "Military activities and arrangements by colonial Powers in Territories under their administration" and recalling General Assembly resolution 1514 (XV) of 14 December 1960 and all other relevant resolutions and decisions of the United Nations relating to military activities in colonial and Non-Self-Governing Territories, reaffirms its strong conviction that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination and reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, should be withdrawn.

2. Aware of the presence of such bases and installations in some of those Territories, the Special Committee urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States.

3. The Special Committee reiterates its concern that military activities and arrangements by colonial Powers in Territories under their administration might run counter to the rights and interests of the colonial peoples concerned, especially their right to self-determination and independence. The Committee once again calls upon the administering Powers concerned to terminate such activities and to eliminate such military bases in compliance with the relevant resolutions of the General Assembly.

4. The Special Committee reiterates that the colonial and Non-Self-Governing Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

5. The Special Committee deplores the continued alienation of land in colonial and Non-Self-Governing Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military installations. The large-scale utilization of the local resources for this purpose could adversely affect the economic development of the Territories concerned.

6. The Special Committee requests the Secretary-General to continue to inform world public opinion of those military activities and arrangements in colonial and Non-Self-Governing Territories which constitute an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

7. The Special Committee decides, subject to any directives that the General Assembly may give in this connection at its forty-ninth session, to continue to consider the item at its next session.
